

CaSSOA in association with Amtrust has created a range of flexible, competitive products exclusively for CaSSOA members and distributed by Ceta Insurance.

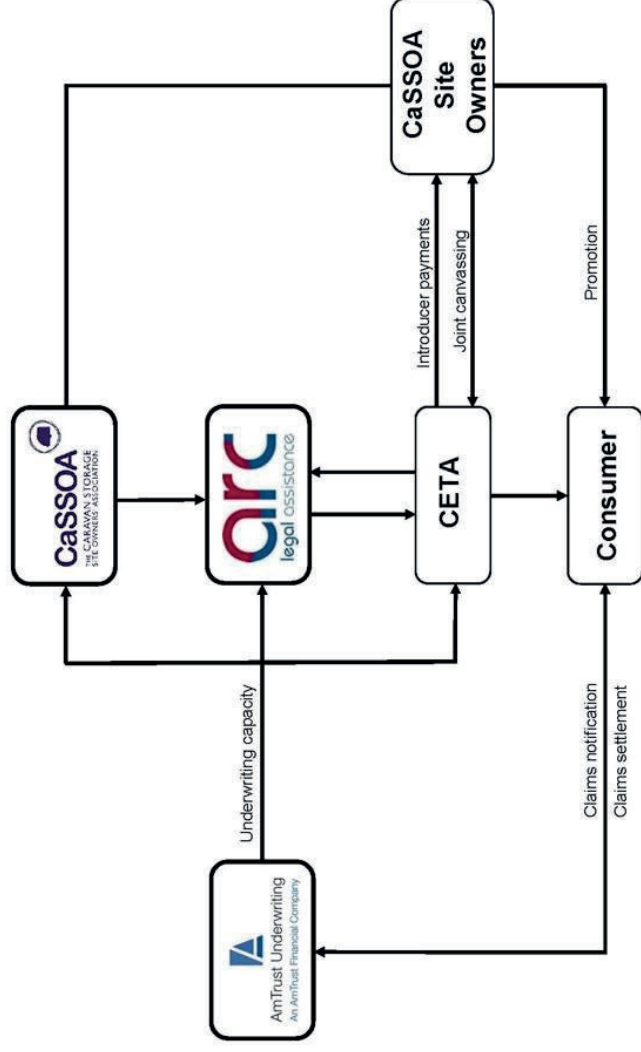

Ceta provides an online insurance platform that enables customers to quote, compare click and buy caravan insurance quickly and easily. Supported by a 65 seat UK based experienced call centre, Ceta have more than 25 years experience providing insurance for customers.

CaSSOA members will be able to promote the service to their customers via their website where they will be able to quote and buy their insurance, alternatively if the customer prefers to speak to an advisor

Ceta will provide a dedicated number for CaSSOA members. Each member will be given a unique code which will enable Ceta to track any business written and thus ensure commission is paid to the right member.

Detailed management information will be provided to enable the member and CaSSOA to track the effectiveness and competitiveness of the service.

Ceta will be able to provide members with email templates to be sent to their customers as well as PDF flyers which can be emailed or printed, as well as any copy needed to promote or advertise the service.

CaSSOA Insurance product

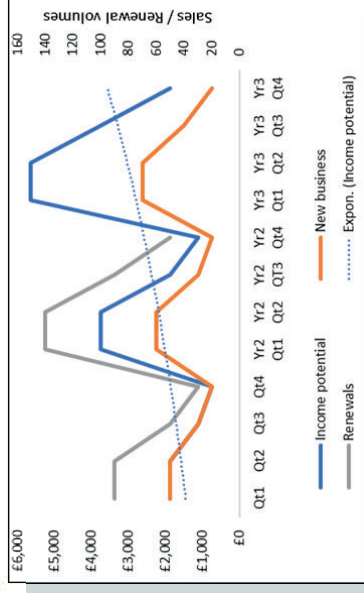

Ceta will offer a choice of CaSSOA club products to customers looking to obtain a quote for their caravan insurance.

These are:

CaSSOA Club
CaSSOA Club plus
CaSSOA Europe
CaSSOA Europe plus

All products will have built in Legal expenses insurance – this affords the policyholder cover for legal costs to pursue or defend a claim because of contract disputes, personal injury, uninsured loss recovery or property infringement.

Earning potential

Every introduction resulting in a sale and future renewals could generate on average £30 commission.

based on average premiums of £150 pa.
